## **Message from the Superintendent**

My husband and I attended the Cathedral for Sunday Mass. The Gospel this week centered on the heavenly city that is built by one commandment, to love one another as Jesus has loved us. Pretty simple recipe. And yet, in the middle of our efforts to love, it can feel like the heaviest of weights, and an impossible dream. Fr. Ryan connected the building of the heavenly city with the Myth of Sisyphus. Sisyphus was doomed to an eternity of pushing a boulder up the hill, only to find his efforts in vain as the enormous rock, upon reaching the top of the hill, rolled back down. So when I think about our work in the schools, sometimes the comparisons are easier to see with the myth than with the Gospel. Fr. Ryan challenged me to consider the many tasks to which God has called me, that often feel like the pushing against greater forces. The Gospel speaks of the "City of God!" Perhaps our rocks are actually building blocks. Through our touch, our words, our efforts, our traveling beside, each intentional act helps turn the boulder into a foundational building block for the heavenly city. Thank you Fr. Ryan. This lesson is important for us all to remember in this month of May.

See you soon at the All Principal Meeting, Thursday, May 23. We begin with Mass at 8:30.

### **MEASLES ALERT**

Due to the recent report(s) of measles exposure in the area please share this alert with your school community.

“If there is an outbreak within your school community of a vaccine-preventable disease that a student or faculty member has not been immunized against these Washington State Department of Health, guidelines are to be followed.

Your student (or staff member), will not be able to attend school for at least 21 days or until the last rash presents itself (which could be 60 days or longer.) “

## TEACHER RECRUITMENT AND HIRING MANNERS

- [It is not professionally ethical for school administrators to approach a teacher who is under a covenant at another school.](#)
- Teachers are encouraged to first speak with his/her principal before contacting another school or administrator about an employment opportunity.
- School principals who interview a candidate who is currently employed by another Catholic school, need to have that teacher's application on file in AppliTrack. Covenants should not be offered until the AppliTrack file is updated and reviewed.
- If a candidate lacks a teacher certification, know that there are some certifications available from the state for people who have special qualifications or meet certain circumstances.
  - It is important to require the candidate to work with the certification office to acquire a conditional or an emergency certification.

**PLEASE CONTACT Eugenia [EugeniaGeisel@seattlearch.org](mailto:EugeniaGeisel@seattlearch.org) when posted positions are filled so it can be removed from the listing!!**

## APPLITRACK
