From the Superintendent's Office...

Reflecting back to the Leadership CIC Retreat, the word that resonates over and over is “peace.” There is much talk of peace “on the home front,” “attaining world peace,” and “peace at what price”! Yet the “peace” we speak of through Liturgical Education occurs when our body, mind and soul trusts God in all things. It occurs when we have an interior freedom, and deep personal understanding that only comes through the gift of the Holy Spirit and provides “peace” in all we do.

The beginning of school can be a time of anxiety and business, but when we seek “peace” of body, mind, and soul through prayer and reflection, God answers with the gifts of the Holy Spirit.

Thank you for helping staff, students and our communities find “peace” in the love of learning and the desire for God through personal and unique encounters with Christ in our challenges, the liturgy and prayer. God’s promise to us is joy, fulfillment and peace in our lives. May you have “peace” each and every day!

Peace be with you!

Terri Fewel

Just a reminder, that we need two items from each school for our OCS records: (1) a copy of your completed local sign in sheet(s) and (2) a copy of your CIC local retreat agenda. Please email Sandy Smith
