SCRIPTURE REFERENCES

In this section, we offer Scripture references for each grade level to help teachers and students understand the Essential Concept being taught at each level. This section also indicates how the Scriptural reference may be used to accomplish one of the Six Tasks of Catechesis. For example, using a verse from Exodus, pre-kindergarten, kindergarten and first graders listen to the story of God who feeds His people with quail and manna. The scripture is cited in relation to two Tasks of Catechesis, helping students to begin to understand:

- Task 1 Knowledge of the Faith the revelation of God's loving care from the beginning of time.
- Task 2- Liturgical Education the connection of the people in the desert and our experience of Eucharist.

A Scriptural reference may also be offered as a point of reflection and prayer.

A final summary document is offered to display all the recommended Scripture across the grade levels.
