School Leaders,

The State Board of Education oversees private schools. It is important that we communicate that our schools are closing.

You need to write to private.schools@k12.wa.us with SCHOOL CLOSURE in the subject line and let the State Board of Education know you are closing. Give your dates.

This is of high importance, as the State needs this information for future decisions regarding private schools.

Thanks, Terri

TERESA FEWEL | Asst. Superintendent of Operations and Government Programs
