School Leaders,

Important Update to the PPP loan accounting

Several questions emerged in our conversations during our 7:30 AM ZOOM regarding the PPP loans and how to account for the funds. I have **attached a PPP Bookkeeping and PRF Emergency Loan guidance sheet**. These directions were drafted by the Finance Department for the Archdiocese. It can be found in the [C2P newsletter](#) The information should be shared with the PAAs and Bookkeepers moving forward. It offers more detail and guidance on budgeting and monitoring the PPP funds moving forward.

The **PRF loan information** is also contained in this document. You may or may not have applied for the PRF, yet! Please keep this sheet as a guide when moving forward with the PRF loan.

The document will be posted to the Trello Board under Shared Resource, Human Resources card.

Human Resources Power point

The power point from Tuesday morning's Principal Zoom is now on the Trello Board It is under Shared Resource, Human Resources card.

Washington State Board of Education Waivers

The State Board of Education has posted [the survey](#) they want schools to complete if they accessed waivers for the 19-20 school year for any of the following issues. There are only two questions to be completed once you complete the school identification questions.

Will the private school use the waiver for **credit-based graduation requirements** for individual students who were on track to graduate? Yes or No

Will the private school use the waiver for either **instructional hour or day requirements**? Yes or No

Re-consecration of the United States to the Care of Our Blessed Mother

Archbishop Etienne will lead a brief liturgy with the prayer of re-consecration of the United States to the Care of Our Blessed Mother. It will be livestreamed from the Archdiocese Facebook page on Friday, May 1 at noon. The Archbishop is inviting families, students and staffs to join the service from their homes

As the world continues to face the ongoing effects of the global pandemic of the coronavirus, Archbishop José H. Gomez of Los Angeles and president of the USCCB has announced that the

U.S. bishops will join the Canadian Conference of Catholic Bishops on May 1 in renewing the consecrations of the two nations to the care of our Blessed Mother. Through a collective dedication or entrustment of a nation to Mary, an act of consecration is meant to be a reminder to the faithful of the Blessed Mother's witness to the Gospel and to ask for her effective intercession before her Son on behalf of those in need.

USCCB on a coronavirus vaccine

The USCCB is encouraging everyone to advocate for an ethical vaccine for COVID-19. Bishops recently sent a letter to the FDA Commissioner expressing strong support to develop an effective, safe, and widely available vaccine that “ensure that fundamental moral principles are followed in the development of such vaccines, most importantly, the principle that human life is sacred and should never be exploited.” Read more [here](#) and encourage your parishioners to [take action here](#).

Now being nearly 6.5 weeks into remote learning, I hope you find time to slow down and appreciate all that you have accomplished. Thank you for all your work and feedback!!

St. Expeditus pray for us.

Blessings, Terri
