

# Housing For Rent

**St. Catherine of Siena parish welcomes you  
to consider housing in our Siena Center.**

**Located in the Maple Leaf neighborhood in north Seattle,  
walking distance from Greenlake,  
and easy access to bus routes and downtown.**

This building offers a single room, and shared living space including a large kitchen, dining room, shower room and bathrooms. It is unfurnished. The rent of \$750 per month includes utilities. There is one double-size room and one suite with a private bath available for an additional amount. Off-street parking included.

We are offering this space to women at this time. Our focus is to offer affordable housing to Catholic school teachers, youth ministers, and those with similar goals of working to serve our broader community.

Please contact Julie Seaborn at [Julie@crowleylawoffices.com](mailto:Julie@crowleylawoffices.com) to ask any questions and view the site.

We hope you consider this opportunity and look forward to meeting with you.
