

April Easter Season Prayer

Welcome to Seeking His Face

While you are here on this website, you are invited to spend time with Jesus in prayerful guided meditation in the Ignatian tradition.

Do you love God and long to see His face and hear His voice?

While it is true that we can see and hear God in the faces and voices of the people we encounter every day, we must also make time to be with Him in the quiet and solitude of prayer. Deep within each of us in the stillness of our hearts is the presence of the living God – the God who created us, the God who formed us in our mother's womb, the God who loves us beyond our ability to comprehend. Making time to be with God in prayer is necessary because prayer is the expression of our personal relationship with God – Father, Son and Holy Spirit. Prayer is the way in which we connect most intimately with God. Prayer is given to us as a gift from God, issuing forth from our hearts which are the innermost dwelling places of God.

This website offers you a special way to spend time with Jesus, the Son of God, through a form of prayer known as Christian guided scripture meditation. Click on the links to the left to learn more and to begin your prayer.

Under **pray with a guided meditation**, listen to the Resurrection (John 20:1-18). This is an opportunity for the staff to experience guided meditation. At the conclusion you may share as a staff or in partners what the experience brought forth.

Concluding Prayer:

Lord, the resurrection of Your Son
has given us new life and renewed hope.
Help us to live as new people
in pursuit of the Christian ideal.
Grant us wisdom to know what we must do,
the will to want to do it,
the courage to undertake it,
the perseverance to continue to do it,
and the strength to complete it.

Amen.
