

## **A Prayer for Teachers**

Loving God, all wisdom and knowledge comes from you. Bless all teachers so that as we guide our students, they too will be guided by your grace.

Let us always see your face, Jesus, in the faces of those we teach. Help us understand that we instruct other much more by who we are than by what we say.

Strengthen us with enthusiasm for our ministry, and hold us up on the days we need encouragement and sustenance. Give us patience when managing classrooms and perseverance when grading.

May we have the support of administrators and parents as we collaborate in the formation of young people. We also pray for adequate resources that allow us to do our jobs well.

Most important, God, let your love be the guiding principal that informs and upholds our ministry.

We pray these things in the name of Jesus, our Savior and our Teacher. Amen.
