

Dear Principal,

Thank you for reading our email! We are four Catholic educators and doctoral students who lead and serve in Catholic schools. For our dissertation, we are studying mentoring programs for new teachers. The purpose of this survey is to gain a comprehensive understanding of the current mentoring practices and needs in Catholic schools in the United States.

We hope you will join your fellow Catholic school leaders across the country in answering our survey so we can all continue learning how to best support new teachers.

A link to the survey is as follows:

Survey deadline: Saturday September 24, 2022

It should take about 5-10 minutes to complete. By completing the survey, you will be entered in a raffle for a chance to win one of five \$100 Amazon gift cards. Feel free to forward this to any of your colleagues who would benefit from taking the survey.

Thanks for your consideration, and please let us know if you have any questions.

Sincerely,
